Shipping destinations

Updated 14 October 2026 | 250 countries and regions

This directory includes every country and region in the Customwears destination selector. The current store settings list 250 destinations for checkout.

Check your address at checkout. A directory entry does not guarantee a carrier route or delivery to every address. Availability can change because of carrier coverage, legal restrictions, conflict, customs requirements or local delivery conditions.

For your final shipping price and any duty-paid coverage, use the service selected at checkout. Production time is separate from estimated carrier transit time.
